2017 Fall Division Forum

Integrated Systems of Care in our Rural Communities…taking it further

Divisions of Family Practice
A GPSC initiative

BRITISH COLUMBIA
GPSC General Practice Services Committee
doctors of bc British Columbia Medical Association

Patient Medical Home

- GPSC current focus is on PMH and PCN - 12 attributes.
- Acknowledge that this work has been emerging in communities over time, and that each community is at a different development stage and is focusing on attributes most needed at this moment.
- Current snapshot of focuses of Divisions work identified in PMH funding.
- This is not an exhaustive list. We recognize that other work continues in your community around system transformation.

FRASER REGION
